

Update from Ms England

Dear Parents,

Thank you for supporting you children in having another great week. It was a delight to see so many Reception parents join us for the class visit on Tuesday morning. Next week we are excited about welcoming all parents in to the home learning workshops. More information can be found below.

Trips payments

Further to Mr Haimendorf's communication about the parent financial contributions to the residential trips, we have received requests from a few parents about the facility to pay in smaller instalments using parent pay. This is now possible and you can add amounts starting from as little as £10 or £20 to your child's trip account, as and when you are ready to do so. This will hopefully particularly help parents who have multiple children in the school, so they don't have to pay a huge sum of money all at once. The deadline has also been extended to the end of this term. Any questions or concerns please speak to your child's head of school.

Home Learning Workshops

All parents are asked to attend this half term's home learning workshops. Please arrive at 3pm to find out more about what your child is learning and how you can support them at home.

There will also be information about upcoming trips

Optional Food Tasting sessions beforehand give you a chance to enjoy a taste of the school food and catch up with the other parents of pupils in your child's year group
