

AUTUMN NIGHTS 2019

Dear Parents,

We under the Safer Westminster Partnership of the City Council and Metropolitan Police Service would like to reassure you that we are working very closely with our partners in the London Fire Brigade, residential housing associations, Youth Offending Team and youth clubs to ensure that the borough remains a safe place for the enjoyment of seasonal celebrations of Halloween and Bonfire Night.

Around this time of year we tend to see an increase in firework-related incidents and activity. Please can we ask you to be mindful of where your children are around this period, especially on Thursday 31st October and Tuesday 5th November, to ensure that they do not get caught up in any potential large scale disorder. Please also be aware of what your children are carrying in their rucksacks – whether they are getting hold of any fireworks or rockets which are age restricted to 18 years.

Feel free to feed back any concerns or information to your schools' officers.
