Dear candidate,

Thank you for taking the time to find out more about King Solomon Academy and the possibility of joining us as an Early Years Practitioner.

KSA is rare in that it is a genuine all-through school – our pupils can go from 2 years to university in our school. We have a brand new nursery building for over 100 pupils for 2-4 year olds, opened in April 2021, to expand our existing nursery provision for 65 pupils. As such we have multiple opportunities due to expanding our provision.

We have a great team in Early Years and are looking for Early Years Practitioners who are passionate about helping children love learning and playing in a warm and inclusive environment. We are proud of our woodland garden and are building a Forest School provision.

We want to invest in a member of staff for the long term, and support in their development and impact.

To apply, and to see more information about the school and this role please visit:

The deadline is **11am on Friday 21st May 2021**.

To discuss the role, please feel free to email the Principal's PA, Shaheen Riaz (s.riaz@kingsolomonacademy.org) or phone on 0207 563 6901.

About Nursery at KSA

King Solomon Academy is focused on providing a high quality a life transforming education to all our pupils.

We believe that the foundations of our school are built in our Early Years and throughout Primary. As an all-through school we know that the successes here echo through a child’s whole education. If we can help pupils to be confident and engaged learners in these early years, we can set them up for success in their futures.

We want candidates to be excited about our nursery - detailed information is available on our website. <https://kingsolomonacademy.org/nursery/nursery-provision>

As a genuine all-through school, with our pupils staying with us from nursery all the way until they apply to university aged 18, we have a unique opportunity to have a long term and dramatic impact on our pupils’ lives. We therefore have to prioritise pupils’ personal, social and emotional development as well as their communication and language skills. As our children start with us, we are passionate about creating mastery of all aspects of reading (including phonics) writing and maths, as well as creating the classroom culture which fosters rapid and significant character growth. In this way we believe our classrooms have vital importance in our ability as a school to affect change in the lives of our pupils.

Our EYFS environment is characterised by the formation of extremely positive and influential relationships between the school, pupils and their parents. We aim to support the development of the whole child, including their upbringing at home. Our curriculum is rich and varied teachers are encouraged to dream big in their curriculum choices to inspire and engage pupils. In preparation for learning musical instruments in Year 3, we invest in specialist music learning throughout the school – sport, drama and other enrichment activities benefit from our all-through setting.

Being part of the Ark network

Ark is an international charity, transforming lives through education. We exist to make sure that every child, regardless of background, has access to a great education and real choices in life.

We know that great schools need great teachers, which is why we offer you the very best training and support at every stage of your career - from starting out as a trainee to running your own school.

Our highly-successful network of 34 schools educates over 20,000 students across Birmingham, Hastings, London and Portsmouth. They are achieving some of the best results in the country despite being largely in areas of historic academic underachievement.

Ark schools prioritise six key principles: high expectations; excellent teaching; exemplary behaviour; depth before breadth; more time for learning; knowing every child.

Ark invests significantly in a number of professional development programmes which complement academy level training:

- The Ark training menu: we have developed a bespoke training menu, which is accessible by all staff in the network offering a wide range of training modules to staff in all roles

- Network support: schools share CPD, allowing us to share best practice and role specific training across the network, facilitated by in-school and central staff
- Ark staff receive 10 training days each year rather than five.

Ark runs a number of additional programmes, including:

- Leading Impact for senior leadership development
- Lead Teachers, aimed at developing the skills of outstanding teachers to improve performance of other teachers
- Outstanding Teachers, aimed at good teachers aiming to improve and embed outstanding practice
- SEN training for new to role and established SENCOs
- New Teacher induction

Ark is at the forefront of changing education society through education. We run Initial Teacher Training through School Direct and we co-founded the Future Leaders and Teaching Leaders development programmes and offers teachers and support staff a comprehensive range of school-based first class professional development opportunities.
