

Dear Parents of KSA,

Over the course of the year we ask parents for feedback in a number of ways. We use coffee mornings, the parent council consultation committee and school based surveys as well as talking to parents personally.

Once a year we take part in the Ark-wide parent survey. The same questions are asked to all Ark schools, and we are able to see how our parents' answers compare to other schools. This gives us important information about your experience as a parent at KSA and it ensures that we can continue to focus on the things that are important to you. We will also be doing a pupil survey separately so their voice can be heard too.

Because we are asking **all parents** to complete the survey, it has been kept short. There are 16 questions and the survey takes around 5 minutes to complete.

If you have multiple children attending this school, you can respond from the perspective of one of your children only. If you have the time and want to share additional feedback, we would appreciate you completing the survey for each child that attends this school.

The deadline for the survey is Friday 11th February, but we **really** do value this feedback, so please do complete the survey straight away!

Yours,

Max Haimendorf
