

Dear parents,

Welcome back to Half Term Six! I wanted to share a note on pupil dress code during the Summer term.

In the past, we have allowed pupils to undo their top button and tie in the Summer term. This was partly due to the hot temperatures in classrooms in the main building on the Older Years Site. We have invested significantly in solar film and the building is now around 5 degrees lower than it was.

As such, we will continue to expect all pupils to have their top button done up and their tie on throughout the whole year.

All pupils are welcome to wear short sleeved shirts instead of long-sleeved ones.

Usually, secondary pupils must wear their blazers to and from school (and to assembly) however in HT6 we will be relaxing this to allow for the warmer weather so secondary pupils do not need to wear their blazers this term if they don't want to.

Primary pupils are welcome to wear the summer dress or smart grey school shorts instead of trousers if they prefer.

Looking forward to the term ahead,

Mr M. Haimendorf

Principal
