

Examination Invigilators

King Solomon Academy

At King Solomon Academy, we are a unique academy where pupils are known and cared about as individuals and where behaviour and manners are exemplary.

Our school is one of high expectations which transforms pupils, whatever their starting point, into responsible and academically able young adults. We are dedicated to doing whatever it takes to ensure each of our pupils has the chance to attend an academically rigorous university.

The administration of public examinations in any school is a major undertaking, and one which involves large numbers of students and necessary security procedures. The 2023 mock exam season will run from late February to early March with the summer examination season running from May to June.

The Examinations Invigilators perform an important role in ensuring the proper and secure running of public examinations and are needed to assist in the management and supervision of public examinations at King Solomon Academy. The ideal candidate will be reliable and punctual, highly flexible, able to relate to pupils and comfortable in a high pressure environment.

The Examinations Invigilators will report to the Examinations Officer who will brief them with regard to the examinations to be taken, the timing of examinations, materials needed for examinations and any variations there may be from the times published on the start of the examination paper.

Examination Days

The morning examination session will start for candidates at 9am and the afternoon session at 1.30pm, although Examination Invigilators will need to be on duty at 8.30am or 1.00pm in order to assist in the setting up of exams and supporting pupils with extra time. The afternoon examination session is due to be finished by 4.30pm; although the exact end time will vary on a day-to-day basis. The number of hours worked will necessarily vary.

To apply, follow the link at <https://kingsolomonacademy.org/current-vacancies> by **11am on Tuesday 31st January**. For an informal conversation about the role, please contact Camilla Al-Hariri, the Exams Officer on 0207 563 6900.
