

Dear parents,

**We are getting ever closer to the end of this strange Summer term. It has been such a pleasure to see so many pupils and their families back on site across the whole school for catch up meetings.**

**Any parents who are planning on travelling abroad over the Summer, please make sure you follow government advice on where to go and whether there are still quarantine expectations in place. Details are given below of when your child will start school again. Please be aware that school is obligatory for everyone again.**

*Please do have a look over the KSA primary and secondary twitter feeds to share in their wonderful updates – we feel very proud of you all!*

### **Primary staffing updates**

We are very close to being able to share the complete staffing overview with all parents so you can see which teachers will be teaching in which year groups. We have several leadership appointments to make early next week so please check in on [this page](#) on the website by the middle of this week to see it all in one place. It will also be in next week's newsletter.

- **Ms. Kumar** is expecting her first child in November 2020! I'm sure you will all join us in sharing in this happy news for her and her husband. She is likely to be with us up until October half term and will continue leading in Junior School alongside Mr. Young for the first months to ensure a smooth transition into half term 2 onwards.
- We are thrilled that **Ms. Stone** is going to be staying at KSA until Christmas as her transfer into the police has been delayed. She will be teaching secondary PE and supporting vital Junior School interventions.

### **Primary home learning in HT6**

A reminder that we are doing lots of end of term work to reflect on the year past and be ready for the year ahead – the more engaged your child is, the easier the transition back in September will be. If you need any support with any of the following three things, please do reach out by calling or emailing us so we can help:

1. All pupils still learning at home must attend their tutorials this week or next to find out about their class -teacher for next year and make the best possible impression on them with their letters of introduction!
2. All pupils still learning at home and their parents must attend their meeting onsite with their current class teacher to get their end of year report, Summer holiday work and be ready for the transition into next year.
3. All pupils still learning at home and their parents should attend their end of year celebration assembly on Teams where they will have the chance to reflect on the whole year and say thank you to all the staff who have looked after them!

**A reminder to all primary parents that we need your child's completed home learning packs back and all reading books we have leant you. Thank you to the many parents who have also donated us their own books so we can add them to our libraries – the more books we have in our school, the better for everyone!**

### **September return to school**

We look forward to welcoming all pupils back to school in September. The government has confirmed that all pupils should return to school from next academic year and therefore we expect to see all pupils back to school. If you are planning to travel this summer, please ensure

you are back in time for your child to return to school and bear in mind quarantine expectations. For many countries the quarantine remains in place, meaning your family would need to self isolate for 14 days before returning to school – so you would need to return 2 weeks before school terms starts to be ready for your return to school. Full details can be found here: <https://www.gov.uk/guidance/travel-advice-novel-coronavirus>.

#### Primary return:

In Primary, pupils will either start on **Monday 7th September** or **Wednesday 9th September**. The first group will be those who have not been learning onsite at any point during the Summer Term, to allow this group to know how to keep themselves and their peers safe before we have full classes again.

We will write to all primary parents within the next week to confirm which date your children are starting on. Where parents have multiple siblings, please be assured that all your children will be starting on the same day.

#### Secondary return:

To allow us to support pupils as they readjust to being back in school, and to ensure that we can make sure the new school routines are in place, we will stagger pupil return, welcoming year groups back on the following days.

	<b>First day back</b>
Monday 7 <sup>th</sup> September 2020	Year 7 Year 12
Wednesday 9 <sup>th</sup> September 2020	Year 10 Year 13
Thursday 10 <sup>th</sup> September 2020	Year 8 Year 9
Friday 11 <sup>th</sup> September 2020	Year 11

We will write to all parents in Primary and Secondary in the next two weeks with full details of what to expect in September so that you can prepare your child.

#### **Summer Reading Challenge 2020**

The annual Summer Reading Challenge launched on the 1<sup>st</sup> July. This year the scheme is called 'Silly Squad' with the theme being humorous books for kids and will take place entirely online. Children can sign up through the Reading Agency's website at [summer reading challenge 2020](#). Church Street library will also be running some online events for children over the summer. This annual challenge is a wonderful way to motivate reading over the summer holiday and this year with many children having read their selection of real books at home, this should provide a new and varied source of ebooks and audiobooks. Happy reading everyone!

#### **Secondary remote learning including Secondary Holiday Homework**

We have just one more week of remote learning before the end of the academic year. Teachers have been working hard to **review assessments and plan feedback lessons** that will help pupils to improve – next week's lessons are going to be very valuable and useful!

On Friday 17<sup>th</sup> July, the last day of term, we will set **Holiday Homework** for pupils in Year 7-10 and 12. All work will be set online via Student Share and MS Teams, and is due to be **submitted online on Friday 4<sup>th</sup> September** (before we return to school).

Holiday Homework in Years 7-10 will be set for each subject in the 'must', 'should', 'could' format and the 'must' tasks should be equivalent to a normal school week of homework. Pupils can challenge themselves by taking on the 'should' and 'could' tasks.

Year 12 pupils will be set 'Core', 'Consolidation' and 'Stretch' tasks for each of their subjects which should take approximately 20 hours, which we suggest they spread across the subject to ensure that they retain as much knowledge as possible.

Thank you in advance for supporting pupils to organise their time effectively and make sure they complete their Holiday Homework to the best of their ability by Friday 4<sup>th</sup> September.

**Form times** will be running for the last time this year on Monday 13<sup>th</sup> July. We'll be hearing shout outs for each form, reviewing the Sports Day Challenge totals and sharing the Enrichment Challenge entries – we are looking forward to seeing lots of pupils there. Please do help them to get up and online to join.

<b>Year group</b>	Form time every Monday at:
<b>Year 7</b>	9.15
<b>Year 8</b>	9.30
<b>Year 9</b>	9.45
<b>Year 10</b>	10.15
<b>Year 11</b>	10.30
<b>Year 12</b>	10.45
<b>Year 13</b>	11.00

### **Trip payments from this academic year**

We will be refunding parents via Parent Pay any money that we did not end up spending on trips this year as a result of the school closure. Where a family has any outstanding debt for school meals or trips from previous years, we will deduct this amount first. We will clarify how much this is for each year group, dependent on which trips were able to run, in the newsletter next week. The administrative process for refunds is manual and will take us some time to work through, so please do bear with us.

### **Laptops and chrome books currently on loan to pupils**

A small number of pupils have KSA laptops and chrome books at home for home learning. We need these to be returned ahead of the new academic year as we use them in lessons on the Older Years Site as part of the normal curriculum. Please return them to the Older Years Site between 25<sup>th</sup> and 28<sup>th</sup> August. On return, we will check that they are in working order, and sign the devices back onto site. We will write to families individually to give further information and to remind you of the dates.

### **Year 11 and Year 13 returning textbooks and donating uniform**

Year 11 Historians, and Year 13 Maths, History and Biology students currently have textbooks at home. These need to be returned to school as they are expensive and we need to use them next year. Please return these books by coming to the OYS main gates, where there will be a box for you to leave the books in. You can come any time of day over the course of the following week. When you drop these off, please ensure that a record is taken that you have returned your book.

Year 11s are also welcome to donate their KSA uniform at the same time. This will be washed and then available to parents to purchase second-hand at a later date. This will help any families struggling with the cost of uniform, so do consider this if you are finished with it.

### **Primary Maths leader board!**

Here are the results from Times Tables Rock Stars website. Remember this website is a great way to keep your child practising maths skills in a fun, interactive way.

Congratulations to Shadi for being our gold medallist again. What a great role model for the rest of the school! Well done to the whole top ten!

### **Times Tables Rock Stars Leader Board**

<b>Rank</b>	<b>First Name</b>	<b>Maths</b>	<b>Lifetime Earnings</b>
1	Shadi	2Exeter	752052
2	Armin	3Birmingham	474870
3	Ayaan Ibrahim	5LeMans	449958
4	Zaid	5LeMans	418492
5	Nina	3Hatfield	404283
6	Fahad	5Norwich	403207
7	Rayyaan	5Norwich	392321
8	Ylli	4Durham	332994
9	Anna	5Norwich	317187
10	Dunia	4NewYork	273789

Here are the results of last week's Times Table Rock Stars Year Group Battles:

<b>Year Group and points</b>	<b>Year Group and points</b>
Year 2 <b>15702 points</b>	Year 6 <b>4886 points</b>
Year 3 <b>6746 points</b>	Year 5 <b>4121 points</b>
Year 4 <b>8845 points</b>	Year 3 <b>7269 points</b>

**The following battles have been set which will last for the entire summer holidays:**

Year 2 vs Year 3

Year 4 vs Year 5

Year 6 vs Year 2

### **Update on Co2034 from Ms. Loo and the Nursery Team**

It has been wonderful to catch up with many of our nursery friends during our 1:1 meetings this week. We have had many great chats with parents and pupils on the progress we have made over the year and what to expect when we start in reception. We look forward to welcoming you back to nursery or reception when we reopen fully in September.

Next week, we will be having our live 'Celebration Assembly' on Thursday 16<sup>th</sup> of July at 1pm. Please join us from home online via Microsoft teams. Pupils at school will join in with their bubbles. We will be reflecting on the year that has been and find out about our new teachers and what we can look forward to next year.

Sheep bubble shout out this week goes to Madison who has learnt to write 'mum, Dara' and 'I love you' on her own. She also loves singing and has learnt the lyrics and actions of the KSA values and the '5 gingerbread men' song.

Cows bubble shout out goes to Jaxon for being consistently kind and gentle with his peers. He also has impeccable manners using 'please' and 'thank you'. What a role model!

### **Update on Co2033 from Ms. Lambourne and the Reception team**

Meeting many families who have not been in school since before lockdown has been exciting this week. Thank you for arriving at your meetings on time and coming ready with your completed home learning packs, along with the reading books that you borrowed from school.

Our 'Celebration Assembly' is now uploaded to the you tube 'Reception' playlist. If you were unable to join us for the live event, please make sure you take the time to watch the assembly with your child. It was wonderful that so many children were willing to speak on camera. A huge shout out to all of the children who took part from their bubble space and a special thank you to Isha for being brave enough to participate from home, I know how much of a challenge this was for you Isha and you did a super job!

Next week will be our final week together. There's still lots of learning going on in school and plenty of work in your week 7 home learning packs for anyone at home. Next week's writing is especially important as it involves writing a letter to your new teacher! Enjoy your weekends.

### **Update on Co2032 from Ms. Clark and the Year 1 team**

We have had a wonderful week and it has been such a pleasure to see almost all of you in your meetings at school as well. We have been blown away by your home learning that you are continuing to do and the way you spoke about your time at home. Miss Eyre is still enjoying her tutorials with you and is looking forward to seeing you at our assembly on Thursday 16<sup>th</sup> July 2020.

This week, Miss Clark would like to give all of the children on site a huge shout out. They have been working hard every single day and have such a positive attitude to their bubbles. Their determination to get through the reading comprehensions (which they are finding tricky!) makes Miss Clark so proud, well done everyone!

Miss Smith would like to give a shout out to the Shark's Bubble for being enthusiastic in their learning this week, challenging themselves and not giving up when faced with a tricky task. Well done Sharks! Miss Smith would also like to give a shout out to Faisal, Rovani, Nabila and Mohammed for excellent effort in their online Phonics tutorials this half term! It has been a pleasure to work with you all each week and I have been very impressed with your Phonics! Great job!

Ms Susel and Ms Hart would like to give a shout out to Kenzy in the Whales bubble. She is working incredibly hard in her reading, where she is remembering all of her sounds and Phonics strategies. Also, well done to Vivi, Eva, Misha and Emily who ALWAYS finish their work in class and are able to speak about how they worked out tricky answers. Keep up the fantastic effort Whales bubble!

Miss Case would like to give a shout out to the Dolphin bubble for their creativity in exploring animals, and collage in our Art lesson this week! What amazing animals you have made. Also, well done to Fatma has also been trying very hard in her daily reading. Miss Case has loved hearing you read with such enthusiasm each morning!

Have a lovely weekend and get ready for our final week at school!

### **Update on Co2031 from Ms. Braiden and the Year 2 team**

Year 2 have had another wonderful week of learning, both at home and at school. We are so proud of you all and we can't believe that next week will be your final week in Year 2 before you all move to Year 3. We have really enjoyed seeing some of you and your families in your

meetings at school and finding out what you have been up to during school closure. Thank you for coming into school to see us and for remembering to bring your home learning packs and reading books from school. If you haven't done so already, please remember to bring these back to school so you can receive your report before the end of the term.

Ms Eyre has loved seeing you again in your tutorials this week and showing you who your new teacher will be in Year 3. Remember to write and send your letter to your new teacher as they are really looking forward to finding out all about you! We can't wait to see you all in the end of year assembly on Friday 17<sup>th</sup> July at 11:00am. Please log in at home on Microsoft Teams and make sure your cameras are turned on and your microphones are turned off. Pupils at school will join in with their bubbles. We will be reflecting on the year and finding out what we can look forward to next year.

Shout outs this week go to:

- Nusaybah for producing an excellent letter based on the class text we were reading this week called 'The Journey.'
- Ryu for making some excellent contributions to our class discussion on climate change.
- Ibrahim for always being so focused during learning time and for always working hard when complete his learning packs.

#### **Update on Co2030 from Ms. Holmes and the Year 3 team**

Year 3 continue to have a wonderful time in school, creating holiday islands, cave paintings and stone-aged tools! The children on site have embraced all of the extra exercise we have been doing and have contributed lots of km's to the Ark Sports Challenge. The staff have hugely enjoyed seeing children and families during some of the short meetings we are carrying out – thank you for making the effort to come and see us! Ms Eyre had another wonderful Wednesday of Y3 tutorials, well done to everyone who was on time and took part. Your new teachers can't wait to read the letters that you are writing them.

A few shout outs this week:

- Well done Sama far asking thoughtful questions about Y4.
- Ali H had written a wonderful letter to his Y4 teacher
- Malak F and Jummana have been working super hard at TTR
- Malak J and Xander are showing wonderful imagination in all subjects and areas of learning
- Lamar for being helpful and tidying the playground equipment
- Noreine for an imaginative island design

#### **Update on Co2029 from Ms. Becker and the Year 4 team**

Year 4 had yet another great week learning at home and onsite. Children learning at school benefitted from TTRS practice, 1:1 reading and doing lots of learning in science and humanities. We have enjoyed lots of exercising outside and playing together. We particularly enjoyed reflecting on our emotions and learning more about the zones of regulation.

Those learning from home continue to share their amazing work with us – thank you for continuous effort! In our short meetings with families, It was great to catch up, hear your lockdown successes and struggles, answer your questions and reassure you if you had any worries about Y5. Thank you all for bringing back the Home Learning packs as well as all reading books you received from school over the last 15 weeks – knowing what your child has done well and what was more challenging will inform our planning for next academic year.

Ms Swindells, Ms Matthews and Mr Shaw spoke very positively about the attendance and participation in your weekly tutorials. Your new teachers have shared some fantastic videos with you about what they like at school and outside as well as what Y5 curriculum is going to be next year. Now it is your turn to share some information about yourself!

Some shout outs this week go to:

- Maira, Zeinab and Ghazal for working together to answer questions in depth.
- Saja W for being kind and helping to keep our bubble safe.
- Whole Periwinkles bubble for being incredibly polite and appreciative towards the school's cleaner.
- Mubbashir, Dunia and many others for sharing their learning from home with teachers.
- The whole Scallops bubble for being environmentally smart and recycling their resources at school.

#### **Update on Co2028 from Mr. Howlett and the Year 5 team**

The Year 5 Team have had enjoyable second week back, getting back into the rhythm of learning across the curriculum and ensuring we are still doing lots of exercise! It's also been great to see some of you back for your end of year 1-to-1 meetings, and we've been impressed by the amount of work the children have completed during their time at home. We look forward to seeing more of you next week.

Ms Kumar has also been enjoying seeing you in tutorials, and your Year 6 teaches are looking forward to reading your letters telling them all about you. Remember to write about your favourite subjects, some interesting facts about yourself and anything else you'd like them to know about you.

Shout-outs this week go to:

- Rwan has been Aiming High with exceptional work at home with her Home Learning Pack.
- Mohammed has been Leading the Way with his enthusiasm during class reading of Private Peaceful.
- Alaa has been Being Kind with her teammates at break time to ensure everyone has a good time.
- Fahad for Leading The Way in his home learning by consistently completing his work to a high standard and for being a great participant in online tutorials.
- Jinan in Fangtooths for Aiming High in all activities in school, especially persevering in her daily laps around the MUGA.
- Sabeen for demonstrating our value of Being Kind to the new teammates we have welcomed in our bubble this week. She has gone above and beyond to make sure they have felt comfortable and included.
- Tanisha for aiming as high as possible by completing every task in each work pack with aplomb. Mr Chandler was blown away by the quality, presentation and research crafted in every subject.
- Jalal has shown everyone how to Be Kind in his bubble. He has encouraged everyone to be successful in class and in team games and the Gulper Eels are all the richer for it!
- Elektra has lead the way in the presentation of her schoolwork in her return to school, showing her team that she is proud of her work - in particular, her beautiful setting description of the Amazon Rainforest.

#### **Update on Co2027 from Mr. Holmes and the Year 6 team**

Here we are, just one week left of Year 6! It's been a strange year and it has flown by quickly but we have enjoyed getting to know each and every one of you. We have also enjoyed seeing lots of families during transition meetings this week and are looking forward to having you all

join us on Teams on Monday at 13:15 for the Class of 2027's Halfway to University celebration. We only have one week left of primary school, let's make the most of it!

Thank you to those of you who have already sent a photo of your child's favourite primary memory on a whiteboard. If you haven't done so already, please send your across to [r.holmes@kingsolomonacademy.org](mailto:r.holmes@kingsolomonacademy.org) before the end of Friday to ensure they are included.

Shout outs this week go to:

- Yusuf for having an open and critical mind in English this week, he has provided really creative descriptions to the reading we have studied. Keep aiming high!
- Sophia, Jade and Hadeel for their persistence and concentration to aim high throughout their work.
- Joud for a persistent enthusiasm during break time and activity to keep everyone active and motivated!
- Malaak for showing excellent engagement with our class book: reading and answering challenging questions about homelessness!
- Hadi for sharing a well thought out response to our thinking question at the start of our tutorial
- Ali for always aiming high and consistently working hard thought the day. Ali is always ready first and willing to share his opinions with his teammates.
- Dhiksha for her hard work and positive attitude towards her learning
- Afnan for showing great enthusiasm for Reading this week,
- Rokaya for making an effort to present her work neatly,
- Zainab for consistent focus and willingness to contribute in class

### **Update on Co2026 from Ms. Harvey and the Year 7 team**

It has been another great week of remote learning for Year 7 this week. Year 7 have done a great job at completing all of their assessments. They have also taken part in the Ark Sports Challenge. It has also been brilliant to see some of our students complete the Enrichment challenge this week in writing letters to a woman demining landmines in Lebanon. Shout out to Sheeba and Khalid for beautifully written letters.

We are looking forward to speaking with you all on Tuesday as part of the Year 7 Parents' Day. I will send out the times of appointments on Monday afternoon. The parent meetings will take place over the phone. A member of the Year 7 teaching team will call you at the time you have booked and will speak through the progress your child has made in Year 7 and what they can do to be successful in Year 8. Please make sure that your child is with you at the time of the call. It is best when the meetings take place over speaker phone so that we can speak with you and your child at the same time. Each meeting should last around 10 minutes. If your child is onsite as part of the Community classroom they will still come into school on Tuesday – we will make sure that they are able to be with their teacher making the phone call on site. On Tuesday Year 7 will not be set their usual English and French work, instead they will complete work that would have taken place at Warwick University this year. We are really grateful to Ms Al-Hariri and to Warwick University for putting this work together for Year 7. The work set on Tuesday will be due in at the normal time of 4pm.

A reminder that the last day of term is next Friday (17<sup>th</sup> July). Work will continue to be set as normal next week. Year 7 will also be receiving holiday homework across all of their subjects which will have a deadline of Friday 4<sup>th</sup> September. Year 8s's first day back will be Thursday 10<sup>th</sup> September.

If you have any questions please do not hesitate to contact me on [e.harvey@kingsolomonacademy.org](mailto:e.harvey@kingsolomonacademy.org)

### **Update on Co2025 from Ms. Tooze and the Year 8 team**

Year 8 have had an epic few weeks of assessments, challenges and meetings. They have now completed an assessment in all of their remote learning subjects and have done so with dedication and energy, their teachers and I have continued to be impressed with their resilience and we are all feeling confident to begin teaching Y9 content in September. They have also been taking part in the Ark sports day challenge to cycle, run and walk the distance around the world. So many of them have been heading to the park to add some kilometres to our target and together we have covered over 700km!! We are so proud of you. The Ark network has not only already met its challenge but has now made it past the moon and on to Mars. Well done everyone.

Finally it was so great being able to chat to everyone on Wednesday to discuss how they have got on over the course of Y8 and begin thinking about Y9, it was great to hear your thoughts on how remote learning has worked for your children and lovely to hear how much they have matured over the last few months. I dread to think how many are going to be taller than me when we return in September! We are really looking forward to having everyone back at school in September and hope to see you all in the new school year too.

### **Update on Co2024 from Mr. Barton and the Year 9 team**

It's been an exciting week for Year 9 as we have begun Upper School practice in our remote learning. Over this fortnight, students will have access to a range of tasks that will prepare them for next year, so that we hit the ground running in September. This week we have also had our first form times as our Year 10 groups. It was lovely to see such a high turnout for Cardiff and Brighton, with UCL going on Friday. This week I have a few shoutouts also:

- To Khodr for contributing so well to form time.
- To Mohaned for always being so kind and polite, often making teachers' days!
- To Rawdah, whose quality of work is utterly exceptional – and has forced a few UCL teachers to rethink their plans for next year!
- To Sam, who always gives 100% in all the tasks he completes
- To Teeba, whose Art and constant drive positivity is a joy to work with!
- To Precious, who challenges herself all the time to maximise her learning
- To Ihab, who throughout remote learning has worked so hard and now hands in some of the very best work he has ever done!

Well done all of you! I know there are so many others who deserve heaps of praise – your payslips prove it. Rena, Jana, Bassil, Laith, Hazera and so many others who have completed so much work over the last few months, well done. You are in a great place to begin Upper School.

### **Update on Co2023 from Ms. Mulvena and the Year 10 team**

Well done to all pupils for their engagement in our virtual work experience this week, organised by Ms Al-Hariri. Not only are we all now experts on Teams, but we also heard from some amazing employers on topics such as Space Engineering, Intellectual property law in the Premier league, and Finance and development in the pharmaceutical industry. Pupils should be completing the follow up tasks in their booklets, ready to share in their final 1:1 meetings with tutors next week. We look forward to seeing you next week to ensure you are prepared for the summer and have a chance to say goodbye before the holidays.

### **Update on Co2022 from Ms. Harvey and the Year 11 team**

We are very excited for Year 11 as they move towards starting their new courses in September and look forward to seeing them on Results Day on Thursday 20<sup>th</sup> August. Please do call or email myself or Ms Povey if you have any questions between now and the end of term (21<sup>st</sup> July) we would love to hear from you! A reminder that your child needs to collect their results from KSA at 9am on Thursday 20<sup>th</sup> August.

**Update from Ms Harvey on Cohort 1 and Cohort 3:**

Pupils in Cohort 1 and 3 should now have had their final conversation with Ms Al-Hariri and Ms Harvey.

**Update from Ms Manley on Cohort 2:**

Bridging Work has been reviewed by teachers and the sixth form team. Year 11 students and parents should have received updated offers to KSA Sixth Form last week, based on the successful completion of Bridging Work. If students had been contacted and asked to re-submit Bridging Work, the deadline for this was today, Friday 10<sup>th</sup> July. Please reach out to Ms Manley and Mr Tindell if you have had an issues with completing this. If you have any questions about the next steps for sixth form, do contact [r.tindell@kingsolomonacademy.org](mailto:r.tindell@kingsolomonacademy.org). Please remember that all students must be available to collect their result in-person on Thursday 20<sup>th</sup> August.

**Update on Co2021 from Ms. Mungur and the Year 12 team**

This has been a busy week of assessments for our A level students, and a busy week of coursework deadlines for our Business students. The assessments have gone very well, with the students taking them seriously, being up in time and submitting them in the allotted time slot.

Next week either, Thursday or Friday, the students will be invited into school for a one one meeting, where they will be given their report and assessment results. Your child will receive an email of their date and time.

Starting from today, we are preparing the students about 'next steps'. We are running workshops each day so the students feel prepared to applying to UCAS and apprenticeships. Starting today with a CV writing session. The students will each have a transition subject session, where they are set their holiday homework and given information to be able to successfully transition into y13. These sessions are all compulsory, as is the one to one meeting on the 16<sup>th</sup> or 17<sup>th</sup> of July. Please see the students timetable for the week, below:

	Thursday 9th July	Friday 10th July	Monday 13th July	Tuesday 14th July	Wednesday 15th July	Thursday 16th July	Friday 17th July
<b>AM Session MS Teams at 10am</b>		<b>10am</b> Core Maths Exam 1hr  CV writing: guidance video from CAL and template completion	<b>10am</b> <b>Personal statement day:</b>  MST mentor feedback session and then writing PS second draft	<b>10am</b> <b>Subject Sessions:</b>  Summer work and Yr13 transition Block B Biology, Econ, French	<b>10am</b> <b>Subject Sessions:</b>  Summer work and Yr13 transition Block D English, Business 3, Spanish	<b>End of Yr12 one- to-one meetings</b>	<b>End of Yr12 one- to-one meetings</b>

You will be given your results on this day	IN SCHOOL- you will be emailed your date and time  You will be given your results on this day

### **Update on Co2020 from Ms Manley and the Y13 team**

We hope that parents and Year 13 students are keeping well. Students have replied to UCAS and have confirmed their places at universities. Students should have applied to student finance and they should have started to research their accommodation choices at university. Students interested in applying to apprenticeships should make sure they are continuing to reach out to Ms Al-Hariri! Students should be using this time well to get ahead with reading which prepares them for university and enriching themselves by developing new skills!

A reminder that Results Day is on Thursday 13<sup>th</sup> August – we look forward to seeing you then – please make sure you are in the country and able to come to school. We would like to be able to support you and plan your next steps.

Parents and students – please do continue to reach out if you have any questions and would like further guidance. Best wishes from the Year 13 team.
