1. Introduction

- i. Thank you for your interest in applying for a place at King Solomon Academy, Penfold Street, London, London, NW1 6RU. The aim of this policy is to provide clear guidance on the admission arrangements for a place at the school including information on timescales, deadlines and contact details for queries.
- ii. It also provides guidance on how applications are administered, the criteria used to prioritise applications (where necessary), waiting lists and the appeals process.
- iii. **King Solomon Academy is a non-selective all-through school with a nursery and sixth form. The school has an agreed Published Admission Number¹ (PAN) for the following year groups;**

Primary (Reception): 90

Sixth Form (Year 12 – external places): 25

PLEASE NOTE: King Solomon Academy is an all-through school with the same number of forms in all year groups. Year 6 students automatically progress to Year 7 and so there is no point of entry or published admissions number for external applicants in Year 7. If external applicants wish to apply for a place in Year 7, this will be processed as an ‘In-Year’ admissions, see section 6.

PLEASE NOTE: In most years, the school will be able to offer more Sixth Form places to external applicants than the external PAN and candidates are advised to consult the information given on the school’s website and prospectus.

2. Statutory Guidance and Definitions

- i. All information in this policy meets the statutory requirements set out by the Department for Education (DfE) in the School Admissions Code 2014, (“the Code”) and the School Admissions Appeals Code 2012, (“the Appeals Code”).
- ii. Ark Schools is a Multi-Academy Trust and is the admissions authority for all schools in the Ark network, including King Solomon Academy. Ark Schools, in accordance with its funding agreement, is responsible for the admissions policy of each school and co-ordinates with the relevant Local Authority for the administration of admissions applications. For King Solomon Academy, the relevant Local Authority is Westminster City Council.
- iii. According to the Code, there are two different routes for applications - ‘**normal round**’ and ‘**in-year**’; each route has a slightly different application process and timescales. Both application routes are detailed separately in this policy.

‘**Normal round**’ is relevant to all applications for a place in Reception starting at the beginning of the Autumn term in September.

‘**In-Year**’ is relevant to applications;

¹ The maximum number of places available for admission in the year group

- a) for all year groups other than Reception starting at the beginning of the Autumn term in September.
 - or
 - b) for any year group after the start of the Autumn term.
- iv. The Nursery admissions process is separate from admissions to the rest of the school as it is not covered by the Code. Please refer to the Nursery Admissions Policy on the school website for information on this process, see link below.
- <http://kingsolomonacademy.org/admissions-policy-and-open-days>
- v. **PLEASE NOTE:** This policy is not relevant to the process for naming the school on a child's Education, Health and Care Plan (EHCP) or Statement of Special Educational Needs. There is a **separate process** for selecting or changing the school named on an EHCP or Statement of Educational Needs which is outside of the admissions process. Please contact the child's home Local Authority for further details.

3. Application Process

3.1 Normal Round – Primary (Reception) and Secondary (External Year 7)

- i. Applications for a place at the school are administered through the Westminster City Council application process. Parents resident in Westminster can apply online at <https://www.westminster.gov.uk/school-admissions>; parents resident in other areas must apply through their home local authority.
- ii. The Local Authority's timetable will be used for all normal round applications each year (exact dates within the months may vary from year to year).
- iii. The school publishes information about the arrangements for admission, including oversubscription criteria, in February for the following September (e.g. in February 2019 for admissions in September 2020).
- iv. **PLEASE NOTE:** the school has a larger number of form groups in the Secondary phase than in the Primary phase. All current Year 6 students automatically progress to Year 7 and the remainder of places are available for external applicants.
- v. **Primary application timeframe:**

The school has an agreed PAN of 90 pupils in Reception.

Autumn Term 2019: The school provides opportunities for prospective pupils and their parents/carers to visit the school.

15th January 2020: National closing date for Primary applications. Deadline for the Common Application Form to be completed and submitted to the relevant Local Authority.

January-March 2020: The school and Local Authority coordinate to process all applications. If more applications are received than places available they will be ranked according to the oversubscription criteria published in this policy, see section 4 below.

PLEASE NOTE: schools are not able to provide any information regarding specific applications during this process.

28 February 2020: Deadline for the school to publish its appeals timetable on their website.

16th April (or next working day): Offers made to parents/carers by the Local Authority.

vi. **Allocation of places:**

- a) Where the school is named on a child's EHCP or Statement of Special Educational Needs, that pupil will be admitted to the school.
- b) The school will consider all applications for places. Where fewer applications are received than places available, the school will offer places to all those who have applied.
- c) If the number of applications for admission is greater than the PAN (places available), all applications will be considered and places offered according to the oversubscription criteria in the order set out below (see section 4).
- d) Where an application has been unsuccessful due to a place not being available, applications will be put onto a waiting list which will be maintained until the end of the admission year. The waiting list will be ranked solely according to the oversubscription criteria detailed in this policy (not date of application) and updated each time an unsuccessful application is added. See section 7 below for more details on waiting lists.
- e) Where an application has been unsuccessful parents/carers have the right to appeal the decision to an Independent Appeal Panel. See section 8 below for detailed information on the appeals process.

3.2 Post-16 Provision (Sixth form – Year 12)

- i. The school has a PAN of 25 for Year 12. This is the minimum number of external candidates the school guarantees to admit.
- ii. In most years, the school will be able to offer more places to external applicants. Candidates are advised to consult the information given on the school's website and in any prospectus.
- iii. The minimum academic entrance requirement to be eligible for a place in the sixth form is:
 - a) 6 GCSEs graded 9-6, including English and Maths (not including BTECs or other equivalents)
 - b) To study Maths, Further Maths and Science there is an additional minimum requirement of at least GCSE grade 7 in the specific subject.

The same requirements apply to both internal and external applicants.

iv. **Application process:**

- a) **For internal applicants:** Current students at the school in Year 11 do not need to complete an admission application form for a place in the Sixth Form as they can automatically progress to Year 12 if they obtain the minimum academic requirements detailed above.
 - b) **For external applicants:** Applications should be made directly to the school through a form on the website, see link below.

<http://kingsolomonacademy.org/sixth-form/how-do-i-apply/external-applicants>
 - c) Young people may make their own application to the sixth form; the application can be made by the parent/carer but does not have to be.
- v. Where more applications are received than there are places available the oversubscription criteria in this policy applies (see section 4).
 - vi. Unsuccessful Applicants have the right to appeal the school's decision to an Independent Appeal Panel. See section 8 for further details on the appeals process.
 - vii. **PLEASE NOTE:** While every attempt will be made to offer students a place on their course of preference this will not always be possible and cannot be guaranteed. Specific courses may have additional entrance requirements and others will have a higher rate of preference. Details of all the courses available and any additional course requirements are provided in the Sixth Form prospectus, available through the school website.

4. Oversubscription Procedure and Criteria (All applications)

If the number of applications received for any phase or year group is greater than the number of spaces available, places will be allocated according to the oversubscription criteria and order below.

- i. 'Looked After Children' and children who have previously been a 'Looked After Child' but immediately following this became subject to adoption, a child arrangements order or special guardianship order².
- ii. Children of staff at the school who occupy, or have been recruited to, a post where there is a demonstrable skill shortage. Ark Schools must approve the Principal's assessment process and designation of such posts to confirm the staff members' eligibility under this criterion. Priority will be limited to one place for each form of entry in any year (i.e. 3 places in each 3-form year group).

² A 'Looked After Child' is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the full definition in Section 22(1) of the Children Act 1989).

- iii. Children who, at the time of admission, have a sibling who attends the school. For this purpose, “sibling” means a whole, half or step-sibling or an adopted child resident at the same address.
- iv. Children of staff in the school who have been employed at the school for two or more years at the time the application is submitted. Ark Schools must approve the Principal’s decision to allocate places to staff under this criterion. Priority will be limited to one place for each form of entry in any year (i.e. 3 places in each 3-form year group).
- v. Distance measurement – Priority will be given to those children who live closest to the mid-point of the entrances to both younger years and older years sites (see map below; Easting coordinate: 5268073 Northing coordinate:1819638, 355 Edgware Rd, London W2 1BS)

The Local Authority measures distance on behalf of Ark Schools. Westminster City council use Ordnance Survey Data to calculate **straight line distance** between the child’s home and the main entrance to the school. If applicants share the same address point (for example, those who live in the same block of flats or shared house), priority will be given to those who live closest to the ground floor, and then by ascending flat number order. Routes are measured to four decimal places (if necessary).

PLEASE NOTE: A child’s home will be the address at which the child normally resides and which has been notified to relevant agencies (e.g. the Local Authority) as being the child’s normal place of residence. Where a child lives normally during the school week with more than one parent at different addresses, the permanent home address for the purposes of school admissions will be the one where the child spends the majority of school nights Monday–Friday.

- vi. **Tie breaker:** If Ark Schools is unable to distinguish between applicants using the published oversubscription criteria, places will be offered via a random draw which will be supervised by someone independent of the school.
- vii. In the case of multiple births or siblings in the same year group, where there is only one place available in the school, all will be considered together as one application.

5. Children Below Compulsory School Age and Deferred Entry to School

- i. All children are eligible for a full-time place at school in the September following their fourth birthday.
- ii. A child must be in full-time education³ by the time they reach compulsory school age. A child reaches compulsory school age on the next prescribed day on or following their fifth birthday. The prescribed days are 31st December, 31st March and 31st August.
- iii. When a place has been offered to a child below compulsory school age, parents can choose to defer the date their child is admitted to the school until later in the year. This date cannot go beyond the point at which the child reaches compulsory school age and cannot go beyond the beginning of the final term of that same academic year.
- iv. When a place has been offered to a child below compulsory school age, parents can also choose for the child to attend the school part-time up until the child reaches compulsory school age, after which they must attend full time.

6. 'In-Year' Application Process

- i. The 'In-Year' application process is relevant to applications for places in any year group that does not have a PAN (e.g. Years 1 - 11), starting at the beginning of the academic year or for any year group starting at any other point throughout the academic year.
- ii. The Local Authority holds information on which schools in their area have spaces for each year group. Contact Westminster City Council via the link below for further information.

<https://www.westminster.gov.uk/school-admissions>

- iii. In-year applications to King Solomon Academy can be submitted at any time and are made through the Local Authority.

The In-Year application form can be accessed through the link below.

<https://www.westminster.gov.uk/in-year-school-admissions>

- iv. If an in-year application is refused the child will be added to the waiting list for that year group. A child's position on the waiting list will be determined solely according to the oversubscription criteria in this policy. See section 4 for the oversubscription criteria and section 7 for more information on waiting lists.

³ For this purpose, 'full-time education' includes registered for home schooling and attendance at other educational institutions as detailed in section 8 of the Education Act 1996.

- v. If an In-Year application has been refused, the parent/carer has the right to appeal the decision to an Independent Appeals Panel. For detailed information about the appeals process see section 8 of this policy.
- vi. **Fair Access Protocol:** Local Authorities are required to have Fair Access Protocols in order to make sure that unplaced, vulnerable children are offered a place at a suitable school as quickly as possible. The school complies with Westminster City Council's Fair Access Protocol. Admissions under Fair Access Protocol are discussed between the school and Local Authority on a case-by-case basis. This may mean admitting children above the PAN.

7. Waiting Lists

- i. Any child refused a place at the school will automatically be put on a waiting list (unless a higher preference school has been offered.) A waiting list will be maintained until the end of the academic year after which it will be cleared.
- ii. The waiting list is maintained in the order of the oversubscription criteria only (not application date). This means that names can move down the list if, e.g. someone moves into the area and is higher placed under the oversubscription criteria.
- iii. Parents/carers have the right to request their child is removed from the waiting list at any time. Once removed, the child cannot be reinstated on the waiting list without submitting a new application.
- iv. If a place becomes available it will be allocated to the first child on the waiting list, in accordance with the oversubscription criteria. If that offer is declined the place will be offered to the next child on the waiting list.

8. Unsuccessful Applications and the Appeals Process

- i. All applicants who have applied for a Primary, Secondary or Sixth Form place at the school and been refused have a right to appeal that decision to an Independent Appeal Panel.
- ii. Applicants will be informed in writing of the school's decision to refuse their application. This letter will include;
 - a) The reason a place was refused (e.g. no available places)
 - b) Information about the waiting list
 - c) Information about the right to appeal
 - d) The deadline for submitting an appeal
 - e) Contact details for making an appeal
- iii. Full details on the appeals process, timetable and an appeals booklet for parents is available on the school website, see link below.

<http://kingsolomonacademy.org/admissions-policy-and-open-days>

- i. The deadline for submitting an appeal will be at least **20 school days⁴ from the date of notification that an application was unsuccessful**. Appeals received after this date are subject to different timeframes and exact deadlines will be provided in the letter from the school. This deadline applies to ‘normal round’ and ‘in-year’ applications.
- ii. Appeals are submitted to Ark Schools via an online⁵ form which is available through the school website or from the school. See section 10 for contact details.
- iii. The decision of the Independent Appeal Panel is binding on all parties.

9. Applications Out-of-Chronological Age Group

- i. Parents/carers may choose to seek a place for their child outside of their chronological age group for a variety of reasons (e.g. the child is summer born, is considered gifted and talented or has experienced problems such as ill health).
- ii. The decision to admit a child out-of-year group is uncommon and will always be made on the basis of the unique circumstances for each specific case and what is best for that individual child. The decision will be made by the Principal of the school and will take into account parents’/carers’ views, expert advice from relevant social, educational and medical professionals, whether the child has previously been educated out of their normal age group, any evidence that the child may naturally have fallen into a lower age group if it were not for being born prematurely and the long-term impact of the decision on the child.
- iii. Applications for a child to be admitted to a year group outside of their chronological age group should be made through the same process set out in this policy for both ‘normal round’ and ‘in-year’ applications. However, in addition to the standard application form **further documentation should be provided to support the request for a place out of chronological year group**. This applies regardless of whether it is for a higher or lower year group.
- iv. The Principal may request additional information after the submission of an application for an out-of-year group place, if necessary.
- v. Each application will be considered on the individual circumstances of each case. Applicants will be notified in writing of the decision, including the reasons for it.
- vi. Unsuccessful applicants have the right to appeal if they are refused a place at the school. However, this right does not apply if they are offered a place at the school but it is not in their preferred age group.
