Dear parents,

**Re: Summer Term Uniform**

Welcome back to Half Term Six! We would like to share a note on pupil dress code during the Summer term.

We are aware that the half term ahead brings warmer weather. As such there will be slightly different expectations of uniform in the half term ahead. Over the last years we have invested significantly in solar film and air circulation and air conditioning to ensure the temperature in buildings is manageable across both sites.

We expect pupils at KSA to present themselves smartly at all times, and so in keeping with this approach, we will continue to expect all pupils to have their top button done up and their tie on throughout the whole year. There are, however, changes to expectations of uniform to accommodate the warmer weather.

All pupils are welcome to wear short sleeved shirts instead of long-sleeved ones.

Usually, secondary pupils must wear their blazers to and from school (and to assembly) however in HT6 this expectation we will be relaxed this to allow for the warmer weather so secondary pupils do not need to wear their blazers this half term if it is too hot for them to do so.

Primary pupils are welcome to wear the summer dress or smart grey school shorts instead of trousers if they prefer.

Every pupil is expected to come to school with a full water bottle every day. There are opportunities throughout the day for pupils to re-fill their bottles if they need to but please ensure they start the day with one ready to go.

Looking forward to the half term ahead.

Yours faithfully,

Mr M. Haimendorf
Principal
