

SENT BY EMAIL – THURSDAY 11TH MARCH

Dear Parents and Carers,

We know that the experience of lockdown and impact of COVID on family life and your child's education has been varied across households. We have tried to support our pupils to learn extremely well during the period of lockdown, but as Ark Schools, our network of schools, and as KSA, we would like to provide you with the opportunity to share your views on their learning during lockdown. We hope to be able to use the feedback that you share in order to support your child and your family better and the wider planning of the school.

We therefore ask all parents to complete the survey. If you have multiple children attending KSA, you can respond from the perspective of one of your children only. If you have the time and want to share additional feedback, we would appreciate you completing the survey for each child that attends.

To complete the survey, please click here: [{parent link}](#)

Surveys are anonymous and confidential, though the responses will be aggregated for the purpose of analysis. The survey will be available until Sunday, March 21. The survey will take a few minutes.

Your opinion and honesty are much appreciated. If you have any questions or concerns please be in touch.

We look forward to your feedback.

King Solomon Academy
