

Dear Parent and Carers,

Summer After School Clubs Update

Booking for summer clubs will open at **9am on Monday** on the Parents Evening booking site: <https://kingsolomonacademy.schoolcloud.co.uk/>. We have listened to parent feedback about having equal opportunity for all pupils to attend for clubs across the year, and as such, for most clubs in Primary School, you will only be able to sign up your child to a club if they did not take part in any clubs this term (Spring Cycle). If there is still space in these clubs at the end of the week, we will communicate with all parents and open the booking system again for a first come first serve second chance booking.

Kind regards,  
King Solomon Academy
