

Dear parents with children on Younger Years Site,

Thank you to all the parents who have shared feedback this week as we settle into the new school term. I wrote to all parents about the feedback we have received, and some changes we are making in response, and I hope this was helpful.

Beth Humphreys, Katarine Deeks and I have met with a number of parents, talked on the phone and responded to emails. We're keen to make sure any and all parents get to hear about how things are going as soon as possible given that some of your Home Learning Workshops are still a few weeks away, as is the first Parent Council meeting.

In order to address this, Beth, Katarine and I will be available to meet parents at the YYS, to explain how things are planned to develop in the school and listen to concerns – this will take place at the following times:

- **Tuesday 8.30-10am** (there will also a chance to see pupils learning in classrooms)
- **Wednesday 8.30-10am\*** (there will also a chance to see pupils learning in classrooms) and **2.30-3.30pm on Wednesday\*\***

\*On Wednesday morning, we already had scheduled a Coffee Morning update from me on the building works, so we will cover this in Wednesday's session.

\*\* this is at the same time as the Year 4 Home Learning Workshop, but for other parents, you are welcome to come at this time

If you would prefer to communicate over email or on the phone, please do continue to do so.

Thank you again for all your hard work helping your children settle into the new term, and your understanding in working with us. We know there are some challenges that we need to overcome. We are confident that we can make things better very quickly, and we look forward to working together to make sure we do the very best by your children.

Have a lovely weekend,

Max Haimendorf  
Principal
