

Practise writing your numbers.

Number bonds up to within 10

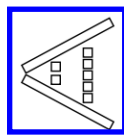

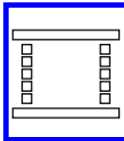

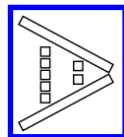

Compare numbers up to 50 by partitioning

We are going to compare 47 and 21

47  21

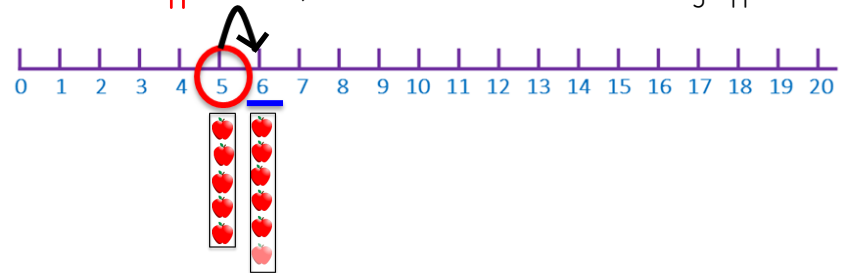

40 + 7  20 + 1

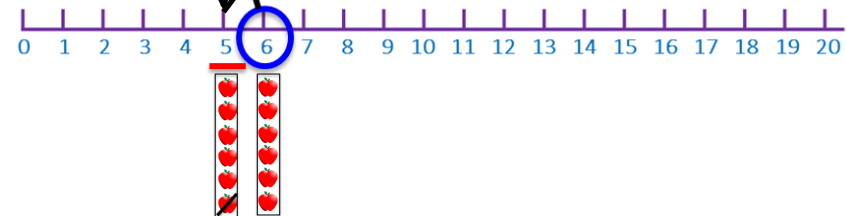

1 more, 1 less

First, there were 5 apples. Then, one more was added. How many apples do I have now?

First, there were 6 apples. Then, I took an apple away. Now, how many apples are left?

I added another apple for one more.

I crossed out an apple for one less.
