

13th March 2020

Dear Parents,

Earlier this term we invited your child on a revision residential to Daunstey's private school on 30th March 2020. Unfortunately, due to the COVID-19 virus outbreak, the trip is having to be cancelled. The school is not in a position to host the visit anymore, due to their contingency planning in preventing the risk of infection.

I know this will be very disappointing for the pupils, and having planned the trip in great detail, Ms Harvey and I are very disappointed to not be able to provide this experience for the pupils, we know it would have been a great trip.

The majority of you have made the £20 contribution we asked for by this point. We will be refunding this money. If this payment was originally paid via ParentPay, then this will be placed as a positive on your ParentPay account / offset any meal debt you may have on your account. If you have no meal payments owing, and would like this money returned to you, then please email Ms Francis c.francis@kingsolomonacademy.org, who will credit your ParentPay account. From there, you will be able to transfer the money back into their bank account or leave on ParentPay to pay for something else at a later date.

Instead of the revision residential, the pupils will have access to normal lessons in on these days and should be expected to attend school as normal. They will also be invited to relevant revision sessions in the lead up to the GCSEs.

Best wishes,

Mr M. Haimendorf
Principal
