

Tuesday 9th February 2020

Dear Year 6 Parents,

In September your child will move from Year 6 to Year 7. We are excited to welcome them into the Secondary school. By being part of KSA primary, pupils gain the opportunity to stay in their school and benefit from an excellent education right through to Sixth Form and University. We are proud that in our all-through school we can support children seamlessly through this transition. We hope all our year 6 children stay with us, so that we continue to climb the mountain to university together as a team.

End of Year 6 / Welcome to Secondary Information Evening – Monday 22nd February at 5.30pm

We would like to introduce you to the Secondary school leaders, and share with you what to expect in the transition to Year 7. We will also share information about learning for the remainder of Year 6, the end of year celebration plans, and the plans for preparing your child for Secondary. It is scheduled that by then we should also have an update from the government about the possible reopening of schools, so it will be good speak to you about this too. All Year 6 parents are asked to attend. The meeting will be on Microsoft Teams, and can be accessed following this link.
